The Sacraments: Anointing of the Sick

In the Church's Sacrament of Anointing of the Sick, through the ministry of the priest, it is Jesus who touches the sick to heal them from sin – and sometimes even from physical ailment. His cures were signs of the arrival of the Kingdom of God. The core message of his healing tells us of his plan to conquer sin and death by his dying and rising. The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. A careful judgment about the serious nature of the illness is sufficient. When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives the Holy Spirit's gift of peace and courage to deal with the difficulties that accompany serious illness or the frailty of old age.

Emmaus House News: We are collecting school supplies to distribute families we support. Donations may be brought to Emmaus House (or if you wish to order online, you can have them shipped/mailed to us: Emmaus House, 45 Trinity Place, Albany, NY 12202.) If you can get them to us by Friday, August 26th, that would be great. If you are physically dropping them off, we will have a large blue bin near our front door. If you wish to make a financial donation, please mail a check to "Emmaus House" or "Albany Catholic Worker" (same account) and write "School supplies" on the memo line. Thanks!

If you would like a **copy of Father O'Connor's homily** to reflect on during the week please provide your name and email address on the sign up sheet after mass or send an email to mfredette103@gmail.com

We wish our parishioners camping at Pyramid Lake a restful, fun and spiritual weekend!
